

SENATE AGRICULTURE

EXHIBIT NO. 6

DATE 2-10-2009

BILL NO. SB 232

Dear Mr. Chairman and Members of the Committee,

My name is Jacob Ticknor, I am 11 years old, and I would like to ask you to please vote against Senate Bill 232.

I don't think that having a state pancake will help Montana. It will not promote farming or ranching in Montana, and will not make money for Montanans or give them a better life.

We already have 24 state symbols and emblems. That is already a lot. We are getting so many state symbols that it makes them seem not very special. They are getting to be common.

It costs lots of money to bring a bill here, and Montana doesn't have enough money right now. We should be finding ways to save money, not using the money that we have to do things like make a state pancake.

Please vote against a state pancake.

Thank you.
